Dear Mr. Sharma :

**Subject: Proposal for Supply Chain Optimization Review**

I am writing to formally introduce Apex Consulting Group and submit our preliminary proposal for optimizing your regional supply chain operations. During our brief conversation last week, you noted that delivery bottlenecks have increased shipping costs by roughly fifteen percent over the last two quarters.

Our team specializes in diagnostic workflow reviews and warehouse automation strategies. We have previously helped similar logistics firms reduce transit delays by up to twenty percent while cutting overhead expenses. Enclosed with this letter is our detailed scope of work, project timeline, and fee structure for your review.

We would appreciate the opportunity to discuss this proposal during a short virtual meeting next Thursday at 3:00 PM. Please let us know if that time works for your schedule or suggest an alternative that is more convenient.

Sincerely,

*(Signature)*
