Subject: Application for Junior Software Developer Position

Dear Priya Nair,

I am writing to express my strong interest in the **Junior Software Developer** position advertised on **LinkedIn**. With my background in **software development** and my passion for **building scalable digital technology**, I am confident in my ability to contribute effectively to **TCS Tech Solutions Ltd.**

During my recent experience at **TechMahindra Advanced Labs**, I developed strong skills in **Java programming**, **database management**, and **API integration**. For example, I successfully **optimized backend database queries and resolved bugs in the core e-commerce module**, which helped improve **overall application speed by 15%**. I thrive in fast-paced environments and enjoy solving problems collaboratively.

I would welcome the opportunity to discuss how my background, skills, and enthusiasm align with the goals of **TCS Tech Solutions Ltd.** Thank you for your time and consideration.

Sincerely,
Aarav Sharma
